PRERANA- An Inspirational Student Centric Two-day National Webinar

About the webinar:

Education plays a vital role in the sustainable development of a country; impacting various aspects such as social progress, economy and welfare. The Kothari Commission (1964-66) asserts the same.

Young and educated minds are fresh and more innovative, can receive and revive more information and apply it for the self and community development. It is possible with the support of family, educational organizations, Government and positive peer groups as they always help the tender minds to acquire diverse values (Samyak-Guna), good communication skills (Samyak-Vak) and livelihood skills (Samyak-Naipunya) which are believed to be very imperative for becoming a successful individual.

To orient the under graduates in right direction and to make them know the importance of the above traits KRK Government Degree College, Addanki, Bapatla (dist),AP has come with a webinar entitled PRERANA-An Inspiration aimed for young, dynamic and enthusiastic aspirants.

This webinar points on morals, ethics and principles where ethics are moral character of an individual while morals reflect our intentions. Personal behavior is essential to build self- esteem which is the key to a healthy relationship. It also focuses on good communication which will bring worth to both personal and professional life. Finally it targets on essence of the transferable skills in making an individual employable. The very outcome of this webinar is to orient the students towards the right path of life.

Tracks for discussion and presentation

1. Values enshrine the quality of Life

4. Students get the knowledge of how to prepare for competitive examinations and how to be the front runners in acquiring employability.

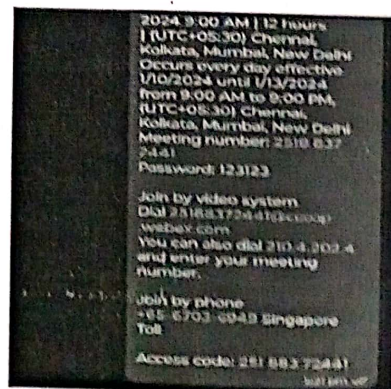

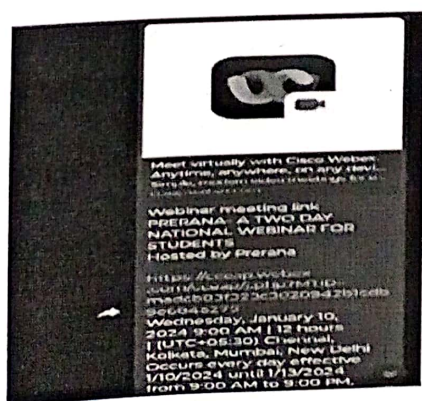

Description

With the above aims and objectives the department of Botany in collaboration with the department of chemistry planned a 2-day online seminar for the graduates. The organizing committee was established and worked out on the topics keeping the students immediate needs in the view. After deciding the topics to be covered in the webinar consulted the following emeritus to deliver the lectures on the selected topics, after getting consent from the speakers and deciding the topics for students presentation the flyer was prepared providing all the details including registration link, whats app group link and QR Code for easing the students entry into the pageant.

The flyer was launched in a meeting headed by the Principal and the hard copies were distributed among the faculty members. The flyer was publicized to all the college through whats app groups. With wide publicity around 525 students got registered from across the nation. Students from various government and private organizations sent about 25 papers to the mail. The convenor of the webinar Sri D. Rajasekhar, Lecturer in Botany requested APCCE authorities through proper channel to provide the link of Cisco webex the online platform to organize the webinar.

FIRST DAY(10.01.2024)

On the first day of webinar the three lectures were planned and the next day the venue was set ready for students oral presentation. The whole activity was emceed by Dr. P.V.
