LEARNING OBJECTIVES:

1. To create awareness among students aspiring for Central & state government exams
2. To realize the self contribution towards hard work
3. To provide way for preparing competitive examinations

Cracking competitive exams is the only way to achieve entry into lucrative jobs in the government sector. A blend of regular study and extracurricular activities, including group discussions, help to excel in these exams. One should have a clear focus and planned schedule of study. In order to crack interviews, one must discuss current affairs and general knowledge with peers. Target can be achieved, when the candidate has Time Management, wise selection of subjects, well planning, motivation etc .

In view of future of our students, college Career Guidance cell has organized an awareness programme on 'how to prepare for Competitive examinations'. Cell has invited Mr.G.Krishna Sagar Reddy, Custom Inspector, Chennai, who is native of Addanki mandal to motivate students towards government jobs.

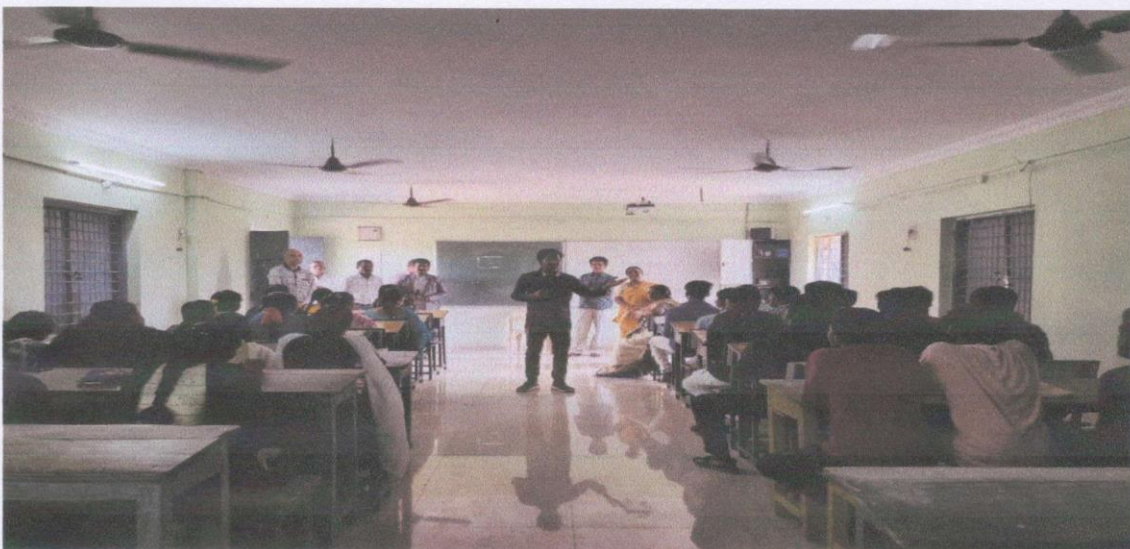

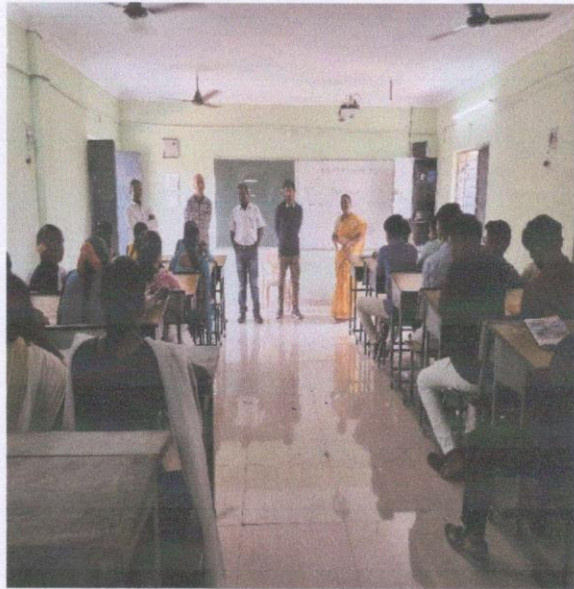

Convener of cell Dr.P.V.Hemalatha introduced the guest and appreciated the guest in getting central government job in very young age and aspired that it is going to be an inspirational example to the students. Principal Dr.V.Mohan Rao explained about importance of job. Guest speaker Mr.G.Krishna Sagar Reddy, Custom Inspector, Chennai spoke on the occasion about formulating study plan with time limit, by giving extra time to weak areas on a daily basis rather than in one go. More so, he said that unplanned preparation will lead to stress and exhaustion and confusion. Finally advised that interviews of past toppers in competitive examinations should

carefully be studied and important tips and instructions should be implemented. He asked students to follow his YouTube channel and also assured for clearance of queries.

Member of the cell Dr.V.Prasad, Lecturer in Physics also explained the students about having commitment and sincerity in achieving higher goals. Inclusive center convener Sri.V.B.V.S.Ramakrishna, Dr.Ch.Anitha, Lecturer in Telugu, Mr.D.Rajasekhar, Lecturer in Botany, Sri.Venu Babu, Lecturer in History attended the programme. Overall 34 students attended the programme and got benefitted.

Learning Outcomes :

1. Learned how to focus on planning of study and how to prepare the questions of syllabus .
2. Learned how to put hard work in preparation of examinations for successful career graph.
