### JAWAHAR KNOWLEDGE CENTRE

### JKC ANNUAL REPORT 2014-15

#### ORIGIN

The Students who come to this college, for higher studies, belong to economically backward section. Their parents, who are either farmers or work as daily wagers, are unable to provide their children with the right kind of exposure for the jobs which, in the present day world, are highly competitive and demand a tough preparation. Keeping this in view Jawahar Knowledge Center was established at Govt. Degree College, Addanki, Prakasam District. It began as a department temporarily in the year December-2007, gained recognition and thus a permanent status in the year 2008.
