### **FEEDBACK ANALYSIS AND ACTION TAKEN REPORT: 2021-22**

IQAC makes it a conventional practice to consider the feedback of stakeholders i.e. students, teachers, alumni and employers in its yearly activities. The crew of IQAC committee will be collecting and analysing the feedbacks from different stakeholders and submit action taken report to the IQAC Coordinator.

**Objective:** The objective of this exercise is to scale the impact of all the efforts of the institution and faculty on various activities for the benefit of stakeholders. This feedback is collected and analysed through online. Further appropriate action on feedback analysis is taken by the principal along with the IQAC coordinator based on the opinions of the stakeholders.

**Methodology:** From the academic year 2021-22 , The Feedback on curriculum is collected through online mode as a part of technical advancement . The link of feedback form framed by IQAC has been circulated amongst the Student groups , Teachers, Alumni group and Employers. After that, the committee compiled the suggestions and prepared the action taken report. The action taken report was circulated among the staff members through the IQAC .

**Analysis:** The same report was submitted to the Principal in the presence of IQAC Coordinator to discuss on various suggestions made by the stake holders. Based on the Annual Feedback Action Taken Report, the Principal proposed to conduct faculty meetings to execute and implement the action plan in the next academic year.

### ACTION TAKEN REPORT- 2021-22

S.N O	SUGGESTIONS	OBSERVATIONS	ACTION TAKEN
1	ICT enabled classes	Requested by students	All the faculty members are informed and are active in this concern
2	Interact with all students	Requested by students	All the faculty members are informed about the matter
3	Conduct of quiz every week	Requested by students	It is found difficult to conduct weekly as there are other curricular and co-curricular activities.
4	Revision of topics every day	Requested by students	All the faculty members are informed to give the gist of topic at the end.
5	Think about the V And VI semester syllabus	Requested by faculty	Correspondence will be made to affiliating university
6	Teaching hours are not sufficient	Requested by faculty	Correspondence will be made to affiliating university
7	Syllabus frame work should not be confined to the narrow economic purposes in name of career opportunities	Requested by faculty	Correspondence will be made to affiliating university
8	Introduce Communication skills to IV semester	Requested by faculty	Earlier it was there but it was taken out to implement CSP activity for promoting importance of skill development among students. So No action can be taken against it.
9	Life cycles may be reduced in Botany	Requested by faculty	Correspondence will be made to BOS, Botany of affiliating university
10	Practical and theory should be given equal credits for skill enhancement courses	Requested by faculty	Will be Communicated to affiliating university
11	Addition of some applied topics like culture of Spirulina will provide some more employability to our students from rural background	Requested by faculty	Correspondence will be made to Botany BOS of affiliating university
12	Students are not getting benefit by teaching excess syllabus in short time due to change of syllabus.	Over all impression of the Lecturers	Communication will be made to affiliating university
13	Please improve infrastructure	Requested by ALUMNI	Request will be put before college development council of institution.
14	Motivate students to read autobiographies of great persons.	Requested by ALUMNI	Planned to implement
15	Curriculum is 66.7% satisfactory and 33.3% very good .No specific suggestions .	Employers feed back	-----
