ADDANKI**

**WOMEN EMPOEWERMENT CELL**

## **Women Empowerment Cell (WEC) of K.R.K. Government Degree College, Addanki**

WEC is established with the motto of "*self empowerment of rural women*". The cell intends to empower girl students and women faculty to enhance their capacity in understanding issues related to them and to make the college campus a safe place for girls and women employees.

The WEC aims at creating awareness among women of their rights and duties. It also creates a platform for women to share their experiences and views regarding their status in the society. Added to it suggestions for improvement and empowerment among themselves has been given through guest lectures, seminars, awareness programs and other welfare activities.

### **VISION**

To maintain congenial working environment of female students, teaching and non-teaching women staff of the College and enable them to explore their innate potential in all aspects.

### **MISSION**

1. To educate women to inculcate spectrum of skills and knowledge to enhance quality of life.
2. To train them to amplify their social, economic and intellectual capacities for peace, security and prosperity of society

### **OBJECTIVES**

- To train girl students towards their interests by identifying their inherent strengths and capabilities
- To promote a culture of respect and equality for female gender.
- To organize awareness programs on gender sensitization.
- To arrange seminars to create awareness on the economic, social, political, and legal rights of women.
- To organize different activities to make women aware of their health, sports, self-defense etc, thereby highlighting the importance of health, hygiene and safety.
- Conducting various competitions to encourage their artistic talents for creative thinking
- To Celebrate International Women's Day on March 8 every year
