

**4.1.1 The institution has adequate Infrastructure and Physical facilities for teaching-Learning viz., classrooms, laboratories, computing equipment etc.**

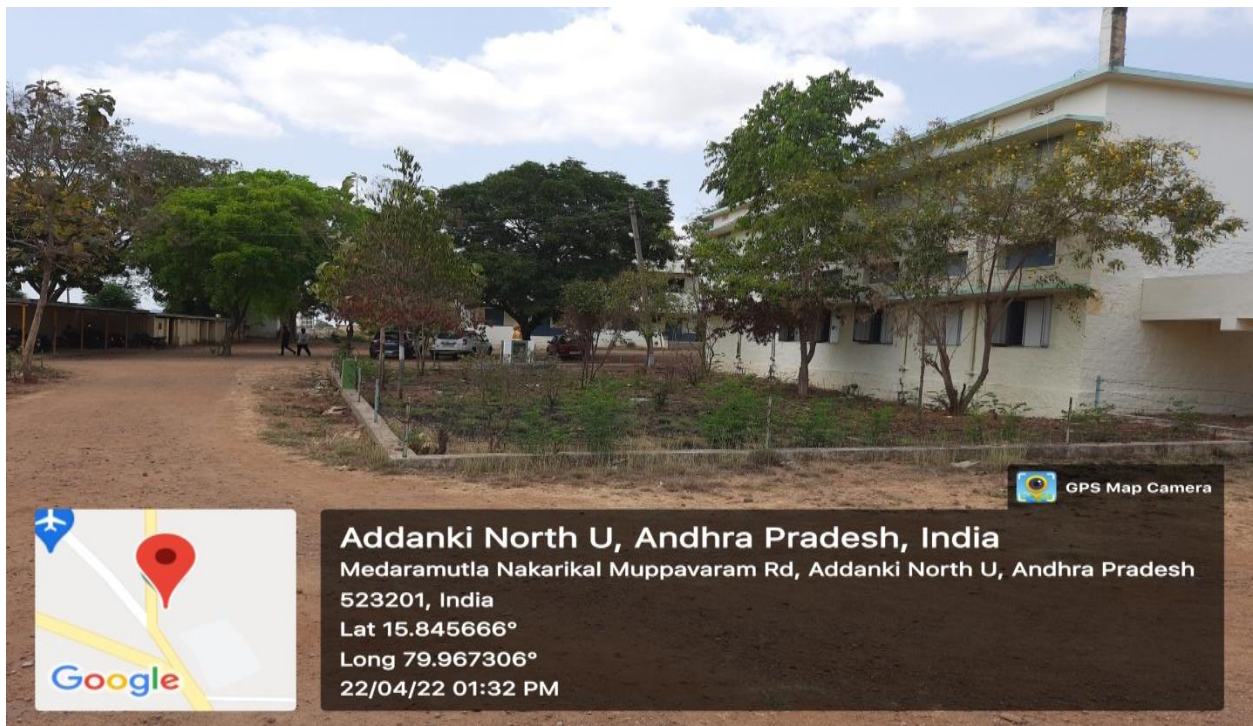

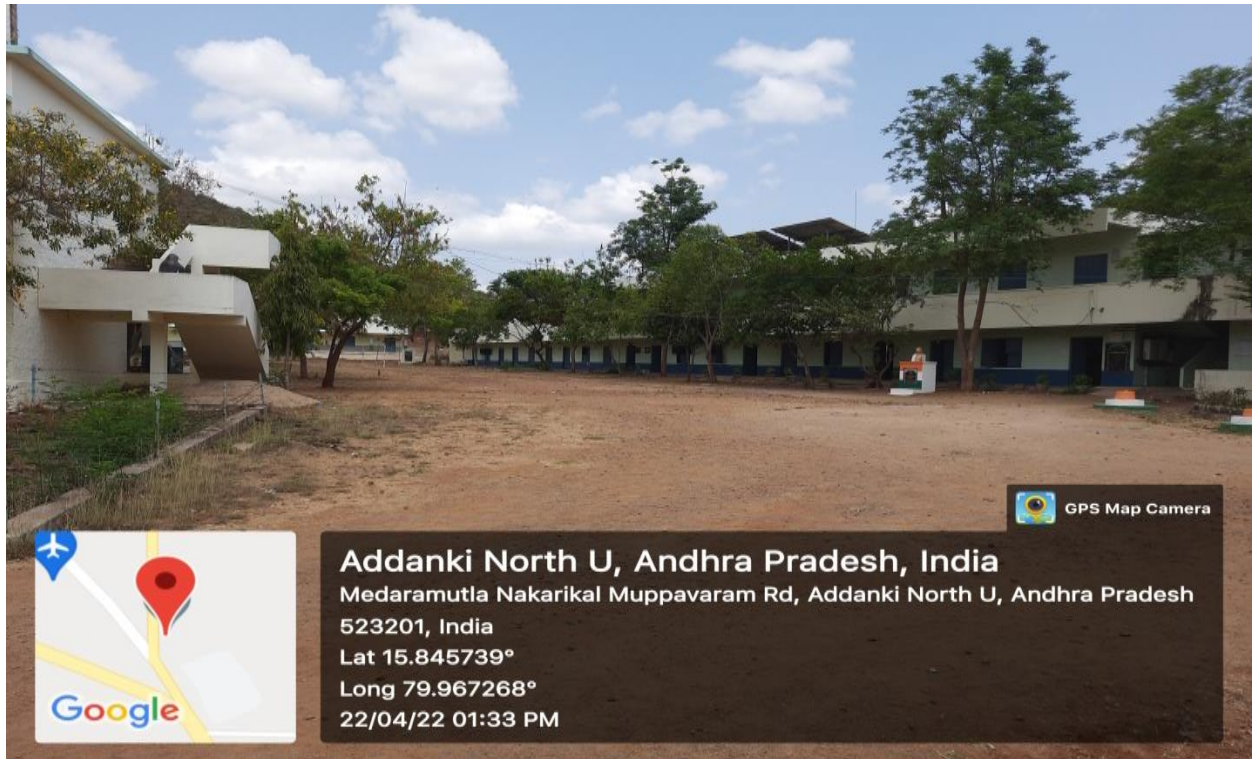

KRK Government Degree College in Addanki boasts ample infrastructural facilities to cater to various courses. The institution houses 23 fully-equipped classrooms, including two dedicated to skill development, three digital rooms, and one virtual room, all equipped with advanced ICT facilities for efficient learning. In addition, the Jawahar Knowledge Centre is furnished with ten computers and an internet facility, providing supplementary training for employment. The college also houses an I.Q.A.C room dedicated to quality improvement in teaching and learning. The college's benchmark is set by the museum in the Zoology department, the ELL for English, and the Computer Science laboratory. The Department of Botany features a botanical garden, including herbal plants, and the CBCS maintains medicinal plants. The college is in the process of constructing three new laboratories, one each for Botany, Chemistry, and Zoology, utilizing RUSA funds.

The Central Library at KRK Government Degree College boasts a NET center, automated with SOUL-02.0 software and a membership in INFLIBNET and N-List, housing a vast collection of 14,076 books. Additionally, there is one seminar hall with ICT and public address system facilities, and a Network Resource Center on the lines of UGC is made available. Internet facilities are extended throughout the campus with the help of AP Fiber grid 100 MBPS speed general line and 10 MBPS internal leased line, in addition to the BSNL broadband of 100 MBPS.

The institution has taken a proactive approach to power management, with an ONGRID Solar Power Project of 20 KVA installed in the academic year 2017-18, providing green electricity. In case of electrical failure, the college has two generators of 30KVA and 10KVA, as well as two 5 KVA inverters and five 2 KVA inverters in the departments of Physics, Computer Laboratory, Chemistry Laboratory, and Seminar Hall.

The Department of Physical Education is one of the most celebrated departments at KRK Government Degree College, featuring a 12-station multi-gym facility where students are taught kinesiology, a vital aspect of sports. The college's resources are optimally utilized for sports and extra-curricular activities, with a spacious play-ground for conducting cricket, handball, volleyball, and athletics. The college regularly participates in various sports activities at intra-college, inter-college, university level, and inter-university. Furthermore, the college has an open-air auditorium for college cultural activities and other functions such as college anniversary celebrations, events that are looked after by the Cultural Activities Committee. Additionally, the college conducts a yoga session in the open-air auditorium on the occasion of World Yoga Day. Overall, KRK Government Degree College provides an exceptional learning experience to its students with its state-of-the-art infrastructure and an extensive range of facilities.
