REPORT OF FIVE DAYS FDP ON ADVANCED TOOLS FOR RESEARCH

DATE: 06.11.2017 TO 10.11.2017

AIMS AND OBJECTIVES:

- To prepare faculty for contemporary teaching methodologies.
- To promote professional practices relevant to technical education.
- To motivate the faculty to achieve a competitive teaching and learning environment.
- To channel development concerning academic qualifications and personal matters.

DESCRIPTION OF THE EVENT:

With the above aims and objectives, the Principal of the college Dr. D. Vara Prasad Rao and IQAC Coordinator of the college hatched out a plan for organizing a five-day faculty development programme, keeping in view the professional challenges that have to be faced in the future by every faculty member. The programme was organized between 06.11.2017 and 10.11.2017 in the college seminar hall. Each day was planned with 4 classes, two in the morning session from 10.00 AM to 11.30 AM and 11.45 to 1.15 PM, two in the evening session from 2.00 PM to 3.30 PM and 3.45 to 5.15 PM with 15 minutes tea break and 45 minutes lunch break between the classes.

1 DAY 06.11.2017

The 5-day FDP was started with the inauguration by the principal, resource persons and the teaching faculty. The Principal lit the lamp to mark the opening of the event, followed by the prayer song and keynote address of the Principal. A few senior lecturers shared their opinions about the programme and wished everyone good luck. Dr. Sk. Md. Nayeem, Lecturer in Physics gave a prolix lecture on How to prepare Research Proposal and he also gave the technicalities of a good research proposal. The evening session of the day started with the lecture of Dr O. Naga Raju, Lecturer in Computer Science, GDC, Macherla on SPSS i.e., Statistical Package for Social Sciences. It is a software package useful for the analysis of statistical data. In the research arena, it is used for drawing tables and graphs needed for research work and managing data. The theory class was followed by hands-on practice.

2 DAY 07.11.2017

On the second day staff were exposed to two lectures, Dr. O. Naga Raju dealt with Excel for Statistical Treatment of Data. In the First class, he gave the knowledge of the subject and in the following, he forced the target group to focus on the practice. In the evening session Dr Sk. Md. Nayeem handled how to check the plagiarism of the content using authentic software technology. Sir also shared his personal experiences with different plagiarism soft wares used during his research work.

3 DAY 08.11.2017

On the third of the FDP Smt. Vijayasri, Lecturer in Physics, GCW, Guntur gave inputs on the Graphical Representation of data and its importance in highlighting data. She also gave the details of different soft wares, generally used in thesis writing. In the post-lunch session Dr. Veerabrahmachari, Assistant Professor, Krishna University delivered a lecture on Research Ethics.

4 DAY 09.11.2017

Dr Rajagopala Babu, Lecturer in English, TRR GDC, Kandukur was the resource person for the morning session, who delivered a lecture on Paraphrasing Software. He emphasized the significance of paraphrasing in research to shun plagiarism in the text and also suggested some software for easy paraphrasing. In the second session of the day Mrs Vijayasri, Lecturer in Physics, GDC (W), Guntur asserted the importance of Choosing the right journal for publishing research work for high recognition and acceptance.

5 DAY 10.11.2017

On the day of the conclusion, Dr Veerabramhachari delivered two lectures in consecutive classes. The resource person shared his knowledge of Journal Metrics and Publication Ethics with the beneficiary group. In the evening session, Dr Rajagopala Babu laid stress on Review Process in his lecture. The event was concluded with a valedictory chaired by the Principal and he expressed his delight over the way of programme organization in his speech. The Resource persons of the day conveyed their gratitude for allowing them to share knowledge with the peer group. The college staff, for whom the programme was intended, showed their contentedness with the programme.

REPORT OF FIVE DAYS FDP ON Workshop on MOOCs, OER, and Moodle

DATE: 27.02.2019 TO 03.03.2019

AIMS AND OBJECTIVES:

The aim of the Workshop on MOOCs, OER, and Moodle for faculty is to empower educators with the knowledge and skills necessary to incorporate Massive Open Online Courses (MOOCs), Open Educational Resources (OER), and the Moodle Learning Management System (LMS) into their teaching practices.

- To introduce faculty members to the concept of MOOCs and their potential benefits for expanding educational reach and impact.
- To familiarize faculty members with the concept of Open Educational Resources (OER) and their relevance in enhancing teaching and learning experiences.
- To provide faculty members with a comprehensive understanding of the Moodle Learning Management System (LMS) and its features.

DESCRIPTION OF THE EVENT:

The college, under the guidance of Smt. P. Nirmala Kumari, the Principal (F.A.C), Sri. I. Siva Reddy Computer Science department in-charge and the IQAC Coordinator Sri. B. Ashok Kumar, has organized a comprehensive five-day Faculty Development Programme. The aim of this programme is to equip faculty members with the knowledge and skills required to effectively incorporate Massive Open Online Courses (MOOCs), Open Educational Resources (OER), and the Moodle Learning Management System (LMS) into their teaching practices. The event is designed to address the professional challenges that faculty members may face in the future.

The Faculty Development Programme will take place in the college Digital class-1 from 27.02.2018 to 03.02.2018. Each day of the programme will consist of four sessions, with two sessions in the morning and two sessions in the evening. The morning sessions will be held from 10.00 AM to 11.30 AM and 11.45 AM to 1.15 PM, while the evening sessions will take place from 2.00 PM to 3.30 PM and 3.45 PM to 5.15 PM.

To ensure a productive learning environment, there will be a 15-minute tea break between the morning sessions and a 45-minute lunch break for participants to rejuvenate and network with their peers. The organisers have meticulously planned the schedule to allow ample time for attendees to engage in meaningful discussions, ask questions, and actively participate in the learning activities.

1 DAY 27.02.2019

The Basic Workshop on MOOCs, OER, and Moodle began with great enthusiasm under the guidance of Principal(F.A.C) Smt. P. Nirmal Kumari, Sri. I. Siva Reddy Computer Science department in-charge and IQAC Coordinator Sri. B. Ashok Kumar. Subject experts Sri. D. Siva Phanindra and G. Yugandhar delivered informative sessions on the first day. Sri. D. Siva Phanindra covered the introduction to MOOCs, providing insights into their benefits and challenges. G. Yugandhar conducted a session on Open Educational Resources (OER), guiding participants on finding and evaluating reliable educational materials. The participants actively engaged in the sessions and expressed their gratitude for the opportunity to enhance their teaching practices. They eagerly anticipated the upcoming sessions, which would further deepen their understanding of MOOCs, OER, and Moodle integration. The expertise of the subject experts and the support of the workshop coordinators ensured a productive and engaging start to the workshop.

2 DAY 28.02.2019

The second day of the Basic Workshop on MOOCs, OER, and Moodle witnessed dynamic sessions by subject experts Sri. I Jagan Reddy and Dr. O. Nagaraju. Sri. I Jagan Reddy delivered a session on MOOC Design and Development, focusing on setting objectives, designing engaging content, and incorporating interactive elements. Dr. O. Nagaraju conducted a session on Moodle Assessment and Feedback, guiding participants on designing effective assessments and providing valuable feedback to learners. The participants actively engaged in the sessions and expressed their appreciation for the expertise of the subject experts. They eagerly looked forward to the subsequent sessions, eager to explore further topics and enhance their teaching practices through the integration of MOOCs, OER, and Moodle. The workshop coordinators, Smt. P. Nirmal Kumari, I.Siva Reddy and Sri. B. Ashok Kumar, were commended for their support in organizing the workshop and providing a valuable learning experience.

3 DAY 01.03.2019

On the third day of the Basic Workshop on MOOCs, OER, and Moodle, participants delved deeper into the realm of MOOCs with sessions led by subject experts Sri. D. Siva Phanindra and G. Yugandhar. Sri. D. Siva Phanindra conducted a session on Gamification in MOOCs, exploring ways to engage learners through game-like elements. G. Yugandhar led a session on Open Licensing and Copyright, highlighting the importance of respecting copyright regulations when using OER. Participants actively engaged in the sessions and expressed their appreciation for the subject experts' insights. They eagerly anticipated the upcoming sessions, excited to expand their knowledge and skills in MOOCs, OER, and Moodle integration. The workshop coordinators, Smt. P. Nirmal Kumari, Sri. I. Siva Reddy and Sri. B. Ashok Kumar, were acknowledged for their support and guidance in organizing a successful workshop.

4 DAY 02.03.2019

The fourth day of the Basic Workshop on MOOCs, OER, and Moodle featured enlightening sessions by subject experts Sri. Ch. Prasad and Dr. O. Nagaraju. Sri. Ch. Prasad conducted a

session on MOOC Marketing and Promotion, guiding participants on effective strategies to maximize learner participation. Dr. O. Nagaraju addressed the topic of MOOC Accessibility and Inclusivity, emphasizing the importance of designing courses that cater to diverse learner needs. Participants actively engaged in the sessions, expressing their appreciation for the expertise of the subject experts. They eagerly looked forward to the final day of the workshop, eager to deepen their understanding of MOOCs, OER, and Moodle integration. The workshop coordinators, Smt. P. Nirmal Kumari, Sri. I. Siva Reddy and Sri. B. Ashok Kumar, were commended for their efforts in organizing a comprehensive and valuable workshop.

5 DAY 03.03.2019

The final day of the Basic Workshop on MOOCs, OER, and Moodle featured sessions led by subject experts Sri. Ch. Prasad and Sri. I Jagan Reddy. Sri. Ch. Prasad conducted a session on MOOC Case Studies and Best Practices, showcasing successful implementations of MOOCs in various educational settings. Sri. I Jagan Reddy led a session on Integrating MOOCs and Blended Learning, exploring the possibilities of combining online and traditional classroom experiences. Participants actively engaged in the sessions, expressing their gratitude for the valuable insights shared by the subject experts throughout the workshop. The workshop concluded with a participant reflection session, where attendees shared their key takeaways and expressed their appreciation for the knowledge and skills gained. The workshop coordinators, Smt. P. Nirmal Kumari, Sri. I. Siva Reddy and Sri. B. Ashok Kumar, were praised for their guidance and support in organizing a successful workshop. Participants left the workshop equipped with valuable tools and strategies for incorporating MOOCs, OER, and Moodle into their teaching practices.

Two Days National Webinar on “The Role of Genetics in the Sustainability of Aquaculture”

K R K Govt Degree College, Addanki, Bapatla District

Report of the 2nd Day

Host Department: Department of Zoology

Principal: Dr V Mohan Rao

Conveners of the Webinar: Dr K Bhanu Prakash & Sri B Ashok Kumar

10:00 AM – 11:AM: 1st Session – Dr N Baburao

The guest speaker of the first session of the day was Dr N Babu Rao, Senior Scientific Officer, AQF-RGCA, MPEDA, Ministry of Commerce and Industry. The Scientific Officer spoke about the initiatives of RGCA that are intended to bring about the sustainability of aquaculture through the diversification of the culture species and the culture systems. He talked about various projects being carried out by the RGCA at various places across the country. He dealt a little on the SPF seed of vengam and tiger shrimp that have been developed by the selective breeding programs.

2nd Session: 11AM to 12 PM – Dr Nuthalapati Srinivas

The topic on which Dr Srinivas spoke about was the diversification of aquaculture for its sustainability. He spoke on the true concept of sustainability as elaborated by FAO. The sustainability encompasses the sustainability in ecosystem, economics and societies and community aspects. He spoke about the diversification of culture species, feed, markets, practices etc.

3rd Session: 12 PM to 1 PM - Sri Puligadda Srinivasa Rao

The Senior Scientific Officer, RGCA Vijayawada, spoke on the GIFT Tilapia Aquaculture. The breeding and grow out farming of the same. He elaborated the process of selective breeding of GIFT for 10 generations to improve the fish genetically. Given the importance to the GIFT in USA where it was the 4th most widely consumed fish, the seed of GIFT is being produced for grow-out culture of the species. He also touched up on the economics of the GIFT rearing and potential benefits.

Lunch Break: 12:00 to 02:00

4th Session: Dr V Sailaja

Assistant Professor from VSU, PG College, Kavali, presented her talk on the Bivalve fisheries and their culture. She spoke about the seed production, biology, muscle composition and grow out farming of the bivalves. Various bivalves which are mainly cultured are Oysters, clams, mussels, scallops. She touched upon the disease risk and how to touch up on the disease risk of the culture also.

Valedictory Program

After all the sessions of the webinar are over, first Dr V Mohan Rao garu spoke elaborately on the need for the sustainability of Aquaculture. He has extensively spoke on the importance of diversification of aquaculture in ensuring the sustainability. The principal thanked the honorable commissioner, Joint Director, CCE; AGO madam for their support and the initiatives of the department in strengthening the colleges. The conveners of the webinar thanked all the esteemed speakers, participants, the support staff of the institution and the people from outside the institution. This was followed by the valuable talk by the coordinator of IQAC-NAAC. He has enumerated the quality initiatives being done on the platform of IQAC to ensure quality in various aspects of the college.
