6.5.1 Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes. It reviews teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals and records the incremental improvement in various activities.

6.5.1 Contribution of IQAC to the institutionalization of quality assurance strategies and processes

Incremental improvements in learning outcomes as a result of the efforts of IQAC:

The regular meetings of IQAC review the learning processes; discuss adopting learner-centric methodologies of pedagogy, introducing ICT oriented strategies for teaching. In order to improve the learning outcomes or pass percentage of students in the semester-end university exams.

The IQAC recommends changes in the internal examination system. The quality assurance wing, the IQAC, recommends all the departments to focus on the Continuous Internal Assessment of the students so that the students spend quality time on learning

The IQAC focuses on the improvement of attendance of students. The institution adopts the technology oriented attendance capturing through bio-metric devices. This helped improvement in the attendance of the students and learning outcomes as a result.
